

A full-page photograph of a woman standing next to a brown horse in a rural setting. The woman is wearing a sleeveless denim vest with a buttoned placket over a denim shirt, paired with wide-leg denim trousers and dark brown suede shoes. She has her hair pulled back and is looking towards the camera. The horse is a dark brown color and is standing behind her. The background consists of a wooden fence and lush green foliage. The word "soaked" is written in a large, white, serif font across the middle of the image.

Whispers of the Countryside

Spring / Summer 2026

As the countryside awakens in soft spring light, Soaked in Luxury unveils its Main Spring 2026 collection—a modern take on rustic romance, where tactile textures meet effortless tailoring and every piece invites you to wander a little further.

Rooted in nature's calm, the palette spans warm browns, rich beiges, and creamy whites—elevated by splashes of sharp green and the unexpected charm of lilac. These tones offer the perfect canvas: build your base in serene neutrals, then layer in color to shift the mood.

The silhouettes strike a balance between softness and structure: twisted fabric details add subtle drama to fluid dresses, while lightweight suits in creamy hues redefine power dressing for warmer

days. A standout denim set brings contrast with cool, confident attitude—complete with statement shirts and utility-inspired detailing.

Country influences echo throughout the collection. Think suede paired with chunky knits, full-denim ensembles with a rebellious edge, classic striped shirts with lace details and the quiet glamour of a party dress that feels both grounded and graceful. Shot on a stud farm surrounded by rolling hills and elegant horses, the campaign captures a new kind of spring energy—refined, romantic, and ready to roam.

This is contemporary femininity at ease. Come as you are. Mix. Match. Escape the ordinary.

A woman with dark hair pulled back, wearing a black, one-shoulder, long-sleeved dress with a draped front and a wide, flared sleeve. She is standing in a room with walls made of vertical wooden slats and a floor of large, light-colored stone tiles. The lighting is warm and directional, coming from the side, creating soft shadows. The text 'soaked' is written in a large, white, serif font, and 'STUDIO' is written in a smaller, white, sans-serif font below it.

STUDIO

WHERE CREATIVITY MEETS CRAFTSMANSHIP

Welcome to the latest chapter of Soaked Studio – a curated space within Soaked where imaginative concepts are brought to life through expert design and attention to detail. Here, sophistication takes on a modern form, as classic shapes are reimagined with a fresh, directional twist. Every piece is crafted with purpose and designed to endure.

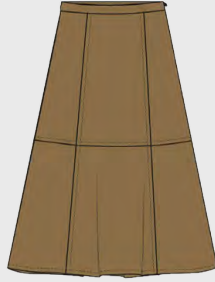

This season centres on contrast — soft tailoring in fluid fabrics meets the structure of leather and sharp silhouettes. Suede overshirts, minimal dresses, and sculpted knits reflect a refined approach to everyday dressing.

The palette moves between earthy tones and cool neutrals: warm browns, ivory, black, and muted lilac. Understated but elevated, each piece is designed to feel modern, considered, and quietly confident.

A close-up photograph of a white horse's head and neck, partially submerged in water. The horse's mane is grey and appears wet. The background is dark and out of focus, suggesting a wooded area. The word "soaked" is written in a large, white, serif font across the middle of the image.
